Disclaimer for Shareholder Endorsement of Tenants on Papakāinga:

As a shareholder endorsing a person or group to tenant a property on the papakāinga, it is important to note that while your endorsement is highly valued, it does not automatically guarantee tenancy. The decision to allocate properties is guided by the papakāinga Trust's housing policy, which includes but is not limited to criteria such as housing need, alignment with the kaupapa of the papakāinga, and adherence to the Trust's application process.

Furthermore, as a shareholder, you acknowledge that your endorsement carries no financial liability or responsibility in the event that the endorsed person or group fails to meet tenancy obligations, including rental payments and property care. The trust retains the final authority over all tenancy decisions and reserves the right to assess each application on its own merits.

By submitting your endorsement, you confirm that the information provided is truthful and complete to the best of your knowledge. The Te Whiti South Land's Trust encourages all shareholders to consider both the long-term sustainability and collective wellbeing of the papakāinga community when offering endorsements.
